

The BKB Investment Solution – “Balanced” (CHF)

Profit now from the comprehensive asset management of Basler Kantonalbank backed by long years of investment expertise with an investment amount starting from CHF 10,000.

Transparent investment strategy based on best-in-class approach

BKB invests in all investment solutions in active funds that meet the exacting best-in-class selection criteria. For passive funds such as index funds and ETF's, the focus is on cost-effective and index-tracking management. Earnings are automatically reinvested.

Independent investment selection

With the best-in-class approach, your investment capital is invested in the best products on the market, independently of sales partners.

Active management by investment experts

Investment decisions are made and executed by competent investment experts based on current market events.

Advantages of the classic form of investment

The BKB Investment Solution – “Balanced” is a strategic fund. You profit from the advantages of this proven investment. At the same time, you are protected by the Collective Investment Act.

Comprehensive reporting

You receive a report semiannually with investment commentary and additional information. You have with performance statement and annual Swiss tax statement always an overview of your investments.

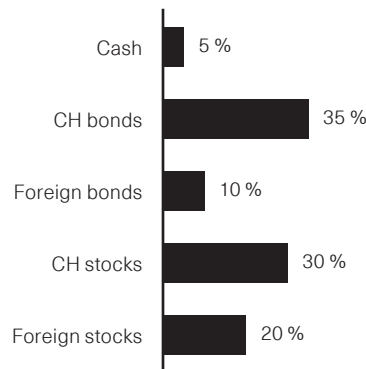

Attractive price

The ongoing costs for the BKB investment solution amounts to 1.25 %¹ annually. You pay no further costs and no custody account charges. For increases or decreases in the volume of your investment, you will not be charged either transaction fees or the customary issuing commission. The comprehensive performance statement and an annual Swiss tax statement are also free.

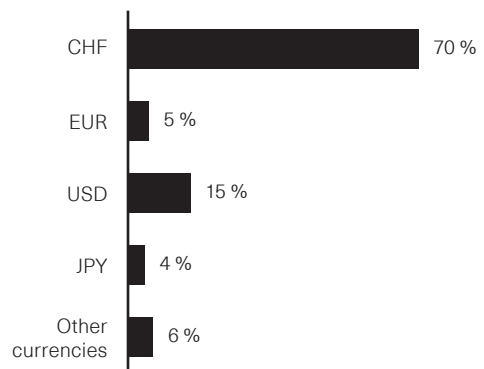

Your flexibility

You can make deposits or withdrawals daily for no charge.

Strategic breakdown of investment instruments in percent²

Strategic breakdown of currencies in percent²

¹ This value is based on an estimate and may fluctuate slightly from year to year.

² There is a heavier weighting of investments in Swiss francs.
